Policy Statement:

School uniforms are compulsory for all students. Uniforms are valuable in contributing to a school's ethos and promoting positive values. What a child wears to school reflects his or her learning and indicates their readiness to work. It also enables students to take pride in their appearance and association with Newlands School.

Aim:

Newlands School firmly believes that the wearing of a uniform is vital as it:

- instils pride
- supports positive behaviour
- encourages identity
- ensures all students feel welcome
- promotes good relations
- protects children from social pressures to dress in a particular way
- creates a culture of equity and high expectations for all
